### MR. MAXWELL SPEAKS TONIGHT

Big Republican Street Parade and Rally at Dorris Theater.

Mr. George H. Maxwell will arrive on this morning's train from Mexico and tonight will address the people of this valley at the big republican rally in the Dorris theater. A special train from the south side will leave the M. & P. depot in Mesa City at 6:35 Southern Pacific time, or 7:05 Pacific time, for the accommodation of those who desire to hear Mr. Maxwell's address. It will leave here for the return to Mesa, after the meeting, presumably about 11 o'clock.

The Fowler club of Maricopa county and the republicans of Phoenix, Tempe and Mesa will form an escort to Mr. Maxwell from his hotel to the place of meeting. It is urged that a large number of the supporters of the republican candidate for delegate, Mr. Fowler, be in line tonight, if it is possible for them to be on hand. The parade will form at 7:15 p. m. on Second street, east of the city hall, facing north. The line of march will be to the Hotel Adams, thence south on Center to Washington and west to the Dorris theater. The members of the Fowler club are requested to be promptly on time at the city hall that there may be no delay and that as large a membership as possible be in line.

Mr. Maxwell wired yesterday that the subject of his address would be "A Plea for Arizona." That it will be a logical argument in behalf of this people none can doubt who have heard him in any of his previous speeches made in this valley on subjects other than political. Mr. Maxwell always presents reasons for his deductions and though his addresses are always engaging and entertaining he is not given to the use of idle words and phrases for mere rhetorical effect. His work in a cause can be enlisted only when his sympathy is there and "from the fullness of the heart the mouth speaketh." There is no doubt that the theater will be filled.
